From concept to physical packaging

VISUAL DIRECTION

Metallic packaging, orange brand lettering and bold typography create a distinctive visual character.

DESIGN APPROACH

A shared label structure connects the range, while colour and naming distinguish individual coffees.

One system. Different moments.

LA DOLCE VITA

THE BREAKFAST CLUB

Colour, product names and narrative copy give each coffee its own character within a consistent label layout.

Project overview

I co-designed the logo and packaging for Just Kawa in Canva, helping develop a premium visual identity for an audience with a distinct aesthetic taste. My contributions included creative concept development, colour selection, typography, logo composition and label layouts. I also developed coffee names and label concepts inspired by different moments of the day and moods.
